Buttonwillow Raceway Park - February 17th & 18th

This very special race weekend has something for everyone. The Cal Club Race for the Club Championship will take place at Buttonwillow Raceway Park. Two days of the best amateur racing on the West Coast. Join us at Buttonwillow Raceway Park as we celebrate the love of racing. Bring your friends who do not have a competition license and have them experience the thrill of the track in their own daily drivers participating in **Time Trials**. More information on Time Trials can be found on the Cal Club website www.calclub.com. Don't miss the fun, two different course configurations in one weekend to earn points for the 2018 Cal Club Racing Championships.

All of this action crammed into a single weekend at family friendly Buttonwillow Raceway Park. BRP has proven to be a favorite track for race and track day clubs in California. Motorcycles are frequent visitors as the track is renowned for its safety. With expansive runoff areas and few impact zones safety for both drivers and riders is well recognized. The "Park" has amenities galore, grassy picnic and play areas for families and spectators, three story race control building containing a gift shop, restaurant with indoor seating and viewing area on the second story balcony.

Spectators are always welcome.
